AAA Compliance Form

To: **Arkansas High School Principals**
From: **Arkansas State Soccer Association**
Subject: **Participation in the Olympic Development Program for Soccer**

In order to comply with AAA rulings for a sanctioned sport, it is necessary that students playing high school soccer notify their schools of their participation in the Olympic Development Program.

The Olympic Development Program is conducted and funded by the United States Olympic Committee (USOC).

Participation in the Olympic Development Program should not conflict with scholastic soccer within the schools.

Signing below indicates that _____ has permission from your school to participate in the Olympic Development Program during the spring soccer season.
