REGISTRATION: To register you must complete the online registration:
<https://www.qotsport.com/asp/application/req/?ProgramID=3107&Type=COACH>

You can also go to www.oksoccer.com/coaches and look for the information and link for the USSF "C" course.

After registering, you will be required to mail in a copy of your D license or waiver from US Soccer and a passport size photo. Credit card payments will be accepted, but only for the entire amount of the course. The credit card will be charged upon acceptance into the course.

WHAT TO EXPECT: All the levels emphasize the practical aspects of coaching with over half of the time devoted to fieldwork. Coaches should come prepared to participate, bring a soccer ball and wear appropriate gear. Coaches receive manuals and an extensive package of age appropriate practice plans.

GRADING POLICIES: Candidates are graded either "pass" or "not ready" for all components of the course both theoretical and field testing and must receive passing scores in all test areas in order to earn the "C" License. If a candidate fails only one theoretical subject (written or oral) they qualify for an immediate, on site re-test for that subject. However, if a candidate scores not ready in any of the following three areas, the candidate must then wait a minimum of six (6) months before they are eligible to re-take the field examination at a regional re-test site.

1. Both oral exams
2. One or more practical field exams
3. Two or more written subjects
