

I-40 from Fayetteville...

Conway

Exit 129 is Industrial Blvd and is also known as Hwy 286. You will stay on this street for a couple of miles. Landmarks will be Axiom on your left, AmTran school bus factory on your right, Sonic on your left. When you get to Donaghey Ave, turn right (you will see a UCA sign at this intersection). Take the next left, between two brick columns, and this puts you into the park.
