The two teams that qualify for the final will be determined by points earned under tournament rules.

If both teams that qualify for the final can be determined after play on Saturday, and if those teams are scheduled to play each other in one of the Sunday morning games, then that game will be played as the final.

In all other cases, the two teams qualifying for the final will be determined after the Sunday morning games have concluded, and the result of game CS7 will then determine the tournament champion.
